SUBJECT: Interim On-Campus Schedule for FY 2004-05 for TFACA's Fire Service Training Program

Attached you will find the interim schedule for the Fire Service Program's On-Campus Courses for fiscal year 2004 – 2005. The Tennessee Fire and Codes Enforcement Academy (TFACA) Fire Service Program continues to deliver quality training through our field extension programs across the state, as well as through on-campus programs at the Academy in Middle Tennessee. The TFACA is your state fire academy and we urge you to take advantage of our diverse range of programs designed to meet basic training needs, to officer training, to specialized operations. The on-campus courses do fill up quickly and you are encouraged to register early.

To register for on-campus courses you can call the Academy at 1-800-747-8868 or 931-294-4111 and ask for Kay Hale, Registrar, to reserve space or inquire on available courses. For inquiries or scheduling regarding field delivered training courses, please contact your local TFACA Regional Coordinator/Fire Instructor, or Regional Fire Supervisor Jerry Crews at 931-294-4153.

Thank you for your continued support of the Tennessee Fire and Codes Enforcement Academy and as always, if the Fire Program's Staff or I can be of assistance, please contact us at 800-747-8868 or 931-294-4111.

Sincerely

David E. Hedrick
Director Fire Service Program
